

SCHOOL DISTRICT OF MANATEE COUNTY

Thank you for volunteering with the School District of Manatee County.

Your role as a volunteer is a very important one, and we hope that your involvement in our school will be as rewarding for you as it will be for our students, teachers and school staff. As a volunteer you are taking the time to share wisdom and experience with future academic stars!

To ensure a safe and secure environment for our students and staff, you are requested to follow the guidelines listed below:

Level I

Please present a valid Driver's License or State ID card to the front office with a completed volunteer application. Your ID will be scanned by the front office into Raptor Technologies, for clearance in the Dru Sjodin National Sexual Offender Public Website for sexual predators and sexual offenders. Level I clearance permits supervised interaction with students. i.e. volunteers working inside the classrooms. This service is free to volunteers.

Level II

The district partners with **FieldPrint Services**, an outside vendor who facilitates fingerprint searches through the Florida Department of Law Enforcement, national FBI criminal history searches, and county criminal record searches through local courts or law enforcement agencies. Level II clearance is valid for 5 years and permits unsupervised interaction with students. i.e. overnight chaperones, mentors, tutors. This service costs approximately \$80 charged to the volunteer. School administration can provide you with instructions for Level II fingerprinting.

Thank you for taking the time to keep our students and staff safe every day!
