

FOR IMMEDIATE RELEASE

## Imagine Learning Recognizes Top Schools Across the Country for Innovation, Dedication, and Exemplary Usage of Imagine Learning Digital Programs

**Provo, UT: May 5, 2020** – Imagine Learning, a Weld North Education company and leading educational technology developer of supplemental adaptive curriculum for PreK through eighth-grade students, today announce the winners of the 2019-2020 Imagine Nation Awards. The awards are part of the esteemed Imagine Learning motivational program igniting engagement and amplifying confidence for all learners.

Today, we congratulate 231 schools and students from across the country for their exceptional use of Imagine Learning programs: Imagine Language & Literacy, Imagine Math 3+, Imagine Math PreK-2, Imagine Math Facts, and Imagine Español. Over 16,000 schools implementing the evidence-based programs were eligible for the Imagine National School of Excellence Award and/or the Imagine Nation Beacon School Award.

Imagine Learning uses multiple measures, including usage and implementation data, to designate top schools for the Imagine Nation Awards. The awards given today include:

- **The Imagine Nation School of Excellence Award.** Schools and students who demonstrate outstanding usage, dedication and implementation of an Imagine Learning program throughout the year. Today, 134 schools receive the honor for the 2019-2020 school year.
- **The Imagine Nation Beacon School Award.** Schools and students nominated by Imagine Learning representatives exemplifying the spirit of the Imagine Learning partnership, consistent program usage, and best practices in program implementation. Today, 97 schools receive the honor for the 2019-20 school year.

“Today, we applaud the educators’ and staffs’ exceptional efforts supporting students and families during school closures. They have worked tirelessly to

## **Imagine Learning Recognizes Continued**

implement and transition their instructional plans into a new at-home learning experience helping their students make incredible progress in language, literacy, and math,” shared Jeremy Cowdrey, Chief Executive Officer at Imagine Learning. “We’re honored to present the 231 schools with these prestigious awards and look forward to continuing our partnership promoting rigorous and equitable learning across all subjects, transforming students into stronger and more confident learners.”

Following official notification of the Imagine Learning awards, each winning school will receive an Imagine Learning banner and a commemorative certificate that displays their achievement.
