The mission of Palmetto Elementary School's Title I Parent and Family Engagement Policy is to create and strengthen family, community, and school partnerships in order to increase student achievement.

PARENT AND FAMILY INVOLVEMENT

Collaboration and coordination are key to ensuring student success. In order to meet the needs of the students we serve; we believe a strong home-school partnership is essential. Throughout the school year, we will provide multiple opportunities for you to take an active role in all aspects of the Title I program at Palmetto Elementary School.

All parents and guardians of children receiving Title I services have the right to be involved in making decisions regarding their child's development. We seek input into the comprehensive plan for Palmetto Elementary School through the Annual Title I Meeting, participation in School Advisory Committee meetings, the Annual Title Survey, and school-based meetings and family events.

Parent and teacher conferences, capacity building workshops, seminars, and volunteer opportunities are designed to support all stakeholders in partnering with one another and in developing the capacity to share the responsibility for improving student achievement and school performance.

1. improving the academic quality of schools.
2. identifying barriers to greater participation of parents.
3. the needs of parents and family members to assist with the learning of their children.
4. strategies to support successful school and family interactions.
