### NOTES:

#### DONATIONS

We have many great things planned for this school year, but we need your help to make these lessons succeed. This year, as you are purchasing school supplies for your child, grab a few extra items to donate to our JMS family.

Donations may be dropped off in the gym during our Johnson Jubilee on August 5<sup>th</sup> or at your convenience during school hours during the first week of school.

Donations will be evenly distributed among all of your child's teachers.

#### SUPPLIES

- Items such as pens, pencils, paper, graph paper, and glue sticks will need to be replenished throughout the school year.
- Additional subject specific supply requests will be sent home (if needed) the first week of school.
