TECHNICAL ASSISTANCE

The SDMC's Title I office will provide technical assistance to Title I Schools. This includes, but is not limited to:

- Assisting with the creation of family information areas
- Creating an electronic resource to house information and share best practices
- Establishing a Family Involvement Contact Team at each Title I school led by Parent Involvement Contacts
- Reviewing each school-level PFEP to offer feedback and ensure compliance

FACULTY TRAINING

Faculty members engage in training to learn more about how to strengthen family engagement in children's education. It is essential that we reach out to families in their primary language whenever possible.

PARENT AND FAMILY ENGAGEMENT PLAN (PFEP)

Our plan to involve parents includes the following:

- Regularly seeking input from parents via survey to inform the Compact, the Parent and Family Engagement Policy, and the School Improvement Plan.
- Extending to all parents an invitation to join the school's advisory council.
- Communicating with parents utilizing print, social media and telecommunications keeping them informed about expectations, events and issues impacting teaching and learning.
- Encouraging regular feedback to parents from teachers through a variety of media sources.
- Hosting events on campus that bridge the gap between home and school.

ANNUAL EVALUATION

We need your input!

We distribute a Title 1 Parent Survey each year to get feedback on how our School can improve family engagement.

The survey is available, in English and Spanish, to our families. Please participate in the survey so your voice can be heard.

SCHOOL COMPACT

The school-parent compact is a written agreement between teachers and parents and provides an opportunity to create new partnerships in your school community. Each school year is different, and needs may change, the school compact maybe adjusted yearly to meet these needs based from parent input.

In partnership with parents, students will receive the support necessary for success. Learning can only take place when there is a combination of effort, interest, and motivation. We are committed to student achievement and preparing our students for High School.
