

July 15, 2022

Dear Families,

Welcome to a new school year! My name is Nancy Wojciechowski (pronounced White-ja-huskie). I will be your child's teacher at Williams Elementary this year. My husband and I just moved to Parrish from Minnesota where I taught both general education and special education for many years. In my previous school, I worked with many students with academic and behavioral challenges on a daily basis.

This year, we will have five students and two adults in our classroom at Williams. I believe in each of my students taking control of their learning, setting goals, and achieving those goals. I also feel that students thrive when they are given the opportunity to show their leadership skills. I am looking forward to working with you to help your child have a successful school year. If you have questions or concerns, please don't hesitate to call me or email me at school (email is listed below). I hope to meet all my families individually before the school year begins.
