I can't wait to have a “fin-credible” year with you!

# Let's get your pencil box ready too!

Please follow the directions below and bring your pencil box the first time we meet! 😊

Here's what to do:

- ✓ First, personalize the plastic pencil box with your (child's) first name. Use a sharpie permanent marker or even sticker letters. Be creative!
- ✓ Then, add the pack of the Crayola Crayons.
- ✓ Next, place 2 sharpened pencils inside.
- ✓ And then, write your (child's) name on the handle of the scissors and place those inside the pencil box.

A little love can go a long way! You may want to stick a love note for your child on their first day. A note from home can bring comfort and a big smile on those first few days! I will read it to them 😊

- ✓ Finally, close the pencil box, put the other supplies, and bring it the first time we meet.

I can't wait to meet you soon!

Ps. I ask that you **PLEASE DON'T** allow your child to add glue sticks (or any other supplies) because we will be learning how to use them first before they go inside the pencil box.

Thank you so much for all your help!
