

BAYSHORE ELEMENTARY SCHOOL

February 5, 2025

Dear Parent/Guardian,

The School District of Manatee County is committed to providing high quality instruction for all students and does so by employing the most qualified individuals to teach and support each student in the classroom. Our teachers are certified to teach, although some are currently out-of- field. Teachers who are listed as out-of-field are required to work toward additional areas of certification prior to the end of the school year according to Florida Department of Education requirements. All educators in the state of Florida are monitored to ensure they meet certification and training requirements as mandated by law.

You have the right to know the professional qualifications of the teachers who instruct your child. Per Florida Statute 1012.42, when a teacher is assigned teaching duties out of the field in which the teacher is certified, the parents/guardians of all students in the class shall be notified in writing of the teaching assignment.

Federal law allows you to ask for certain information about your child's teacher(s) and requires us to give you this information in a timely manner if asked. The table on the attached page lists teachers who are currently out- of-field. If you would like more information, please contact the school at the number below.

Sincerely,

Melinda Lundy, Ph.D.

Querido Padre/Tutor:

El Distrito Escolar del Condado de Manatee esta comprometido a brindar instrucción de alta calidad para todos los estudiantes y lo hace empleando a las personas mas calificadas para enseñar y apoyar a cada estudiante en el salon de clases. Nuestros profesores estan certificados para enseñar, aunque algunos actualmente se encuentran fuera de su campo. Los maestros que figuran como fuera de campo deben trabajar en areas adicionales de certificación antes del final del año escolar de acuerdo con los requisitos del Departamento de Educación de Florida. Todos los educadores en el estado de Florida son monitoreados para garantizar que cumplan con los requisitos de certificación y capacitación según lo exige la ley.

Tienes derecho a conocer las calificaciones profesionales de los profesores que instruyen a tu hijo. Según el Estatuto de Florida 1012.42, cuando a un maestro se le asignan tareas docentes fuera del campo en el que esta certificado, los padres/tutores de todos los estudiantes de la clase seran notificados por escrito de la asignación docente.

La ley federal le permite solicitar cierta información sobre los maestros de su hijo y nos exige que le brindemos esta información de manera oportuna si la solicitamos. La siguiente tabla enumera los maestros que actualmente estan fuera de su campo. Si desea obtener mas información, comuníquese con la escuela al 941-751-7000.

Atentamente,

Melinda Lundy

la directora
