

ATTENTION PARENTS

As a result of the continued increase in number of bad checks we receive, Manatee County School District utilizes CHECKredi to assist in the recovery of all returned checks. Please include the following information on every check presented to Manatee County Schools.

FULL NAME
CURRENT STREET ADDRESS (NO P.O. BOX)
HOME PHONE NUMBER WITH AREA CODE
WORK PHONE NUMBER WITH AREA CODE
DRIVER'S LICENSE NUMBER WITH STATE

If your bank returns your check unpaid, the school's bank will automatically forward the returned item to CHECKredi. Please note, these checks are not returned to the school. Once these checks are debited from our account as an unpaid item, we cannot accept payment for them. CHECKredi will be responsible for recovering the face value of the check plus a Florida State Authorized Fee. You will receive written notification from CHECKredi, asking you to contact them within 5 days. If written attempts to contact you are not successful, CHECKredi may debit the amounts from your account electronically. If your check was unpaid by your bank due to a bank error, please contact CHECKredi immediately.

You will work directly with CHECKredi to resolve any issues you may have regarding your returned check. In addition, a toll free number is available for you to call should you have any questions or need assistance. The number is 1-877-524-7334.

After two returned checks, EDEP will only accept cash, cashier's check or online credit card for future payments.
