### When do I register my child for the following Fall

In April/May, registration for the following school year begins with Kindergarten Round Up. Incoming kindergarteners can register at Kindergarten Roundup Day at their school. Currently enrolled students can also register at that time. Open enrollment for students not yet attending EDEP is available in mid-May. We continue to accept registrations as space permits.

### **How do I register my child?**

Registration requires completion of a Registration Form, Terms and Conditions Form and Parent Handbook Acknowledgement by the enrolling parent/guardian. Payment of non-refundable registration fee is required plus weekly tuition for the first week of services.

### **Should I register my child every year?**

A new registration must be completed for each student each school year.

### **If the program is full, is there a waiting list?**

If an EDEP program reaches full capacity, you may be placed on a waiting list. Please be sure to update your phone number, address and email so the Site Manager may reach you when space becomes available.

### **What kinds of activities do the programs do?**

Some EDEP enrichment examples may include track and field, gardening, emerging engineering, digital technology, art, drama, music, computer skills, sports, foreign language and chess.

### **How do I pay my child's EDEP fees?**

Please always pay your Site Manager, in person, when you drop off/pick up your child. EDEP is not responsible for payments sent in a child's backpack or left at the school office.

### **What happens if I have a check returned due to insufficient funds?**

CheckRedi, is our collection agency. EDEP reserves the right to require payment by cash or money order after two returned checks.

### **Do you accept credit cards?**

Yes, we accept credit card payments at <https://www.ezchildtrack.com/parent5>

### **Is homework help available?**

We offer assistance-based homework time. We will make every effort to complete homework; however, we do not guarantee it.

### **Who will be working with my child?**

The EDEP hires teachers and staff members who are employees of the School District of Manatee County. Our staff to student ratio is 1:20, and in accordance with the Jessica Lunsford Act, all employees are drug tested and fingerprinted. EDEP also maintains a training program to keep staff updated with the policies and procedures of our before/after school program.
