The School District has entered into an agreement with ID Watchdog effective March 1, 2020, to provide current employees who take the steps below to activate the service with an additional year of credit monitoring protection. AllClear ID no longer provides company sponsored coverage, so we obtained alternative coverage for all of our current employees. This new coverage is a no-cost benefit to our employees, with all fees for this service being paid by the School District. You can enroll by calling their Customer Care Center at 1.866.513.1518 or by following the “SELF ENROLLMENT INSTRUCTIONS” below to activate your account with ID Watchdog.
