2. 1st quarter district benchmark assessments- Dr. Stancil

- a. Dr. Stancil reiterated that the goal of 60% of students showing proficiency is a year-long goal before reviewing the data below.
- b. It was noted that it helpful to compare scores vertically, e.g. 2017-2018 Grade 3 ELA scores and current Grade 4 ELA scores.

	ELA Proficiency/17-18 FSA		Math Proficiency/17-18 FSA		Science Proficiency/17-18 FSA
3 rd	38%	36%	47%	46%	

4 th	42%	35%	42%	43%		
5 th	37%	47%	36%	58%	24%	47%

3. Questions/Comments

- a. Parents in attendance would like to see more parents attending SAC meetings. When Dr. Stancil asked teachers to speak to parent involvement at report card conferences, intermediate teachers reported about 50% attendance. Primary teachers report 75-90% higher attendance, and ESE reported nearly 100% attendance. It was noted that those parents who attended were very interested in hearing about their children's progress and how they can support the classroom teachers' efforts.

The next SAC meeting is scheduled for 11/29/18.
