

## **SAC 8/31/23**

\*Meeting called to order at 6:05pm

\*No old business to review.

\*Introduced Mrs. Porco, our new Principal at Kinnan. She is amazing by the way :)

\*Discussed the SIP Plan(School Improvement plan): Looking to strengthen teaching strategies and getting the school to 60% proficiency across the board. Our current school grade is a 49% C.....

FSA to Fast assessment. K-2 different and is just analysis, 3-5 grades will make our school grade. ELA @ 53% which is down by 2% from the previous year. Math @ 56% down 2%, and Science @ 40% down by 13%. Science was down district wide due to lots of changes and demand. Things are in play to bring up scores. Students test 3 times a year, September, January and May. Some things in September and January's tests they may not have seen yet. It is based on the whole year.

\*Additional business: September 14th is Parent University night. Each grade level will have a presentaion about what is expected from students and parents.

\*Parent conferences will resume in October as well.

\*Meeting Adjourned at 6:30pm

**SAC 10/19/2023**

\*Meeting called to order at 6:24pm

\*No old business to review.

\*Review of PM1 data: The PM1 score does not judge students passing, the PM3 test score does.

ELA: K 8% ^ 3% 1ST 9% ^ 2% 2ND 22% ^ 3RD 16% ^ 6% 4TH 24% ^ 5TH 30% ^

Math: K 12% ^ 1ST 11% ^ 2ND 5% ^ 3RD 13% ^ 4TH 17% ^ 5TH 18% ^

The test adapts to how the students are doing, if they are doing well questions get harder. All scores were up overall from the previous year.

\*Review of SIP Plan based on data. By 6/2024, 60% of students will score on grade level or higher in ELA & Math and 55% of Grade 5 will score at grade level in Science.

The school has implemented Collaboration and Professional Development weekly for teachers during Power Hour.
