School Records

Student's school records are kept by the office. Federal law prohibits revealing this information to anyone without the parent's permission. However, recommendations are frequently requested from teachers and administrators who are aware of the content of the student's record. A copy of your school records will be sent upon your request. Transcripts may be sent electronically at no cost. Any transcript printed has a processing fee. Graduating seniors' final transcript (1) will be sent free through June 30th by notifying the Registrar.

Transcripts

In all cases where students have transferred to Palmetto High School from another school, the office accepts only the transcript that is mailed directly from the office of the school previously attended. A student graduating or withdrawing will be furnished a final transcript without cost. Please allow 5 days to process transcript requests. Additional transcripts are available at a cost of \$3.00 each (price is subject to change).

Withdrawal Procedures

If a student needs to withdraw from school, the parent/guardian must come to school and sign a withdrawal form and the student must complete an exit interview. We request that the parent/guardian provide us with a name and contact information for the school the student is transferring to. Withdrawals from school cannot be done by telephone or by sending the form home. Please bring all books, uniforms, or other items needed to be returned to school. Pay student debt at the bookkeeping office.

Change of Address

Any student who moves during the school year must record the change of address by providing proof of residence to the Registrar. A current electric bill, water bill, or lease agreement in the parent /guardian's name will be needed. Any change of telephone number must be corrected with the Registrar.

Tardy Policy

Tardies to class result in lost instructional time for the tardy student and an interruption of the teaching and learning activities for others. The warning bell signals that students should be moving toward class. When the tardy bell rings, students must be inside their assigned area.

Tardy Procedure:

- When the tardy bell rings, teachers will close the door and not admit students to class.
- Tardy students must immediately proceed to Student Services for a Tardy Pass. Students will be allowed three (3) tardies per quarter, without disciplinary consequence. Admittance to class will require the appropriate pass from Student Services. After three (3) tardies, disciplinary consequences will be assigned.
- Administration will schedule the detention to be served by the student. This is the students' official notification of the detention and failure to serve will automatically result in additional discipline consequences. It is the student's responsibility to inform their parent/guardian that a detention has been assigned. No additional notification will be issued regarding detention. **If a student does not attend the assigned consequence and no approved rescheduling has been done the student will receive a referral and consequence based on the discipline matrix.**
- Students return to class with a Tardy Pass.
- Students who do not follow the procedure will be considered skipping and will receive an additional consequence.
- Student drivers who earn their 4th unexcused tardy will be assigned a referral for "excessive tardies" and will have their Driving/Parking permits suspended for 45 consecutive school days and will be required to surrender their passes to Student Services.

Unexcused Tardies (cumulative, not per class)

Attendance Policy

Attendance is a critical component for success in the classroom. Florida laws requires the parent / guardian of a student under 18 years of age to ensure the student attends school. Palmetto High will notify parents by automated phone call when their student is absent one or all periods. Parents may only phone in nine (9) excused absences for the school year. After the 9th absence, documentation is required for an excused absence and an automated phone call will go home. Continued absences may result in referral to truancy court.

Notifying the School of an Absence

On the day of an absence, a parent or guardian should call the school to explain the absence. The absence will be excused if it meets the criteria outlined below. The parent or guardian must contact the school within 48 hours of the absence or appropriate documentation is required within 5 days. If this contact is not made, the absence will not be excused. When a student is going to be absent from school, the parent or guardian should call the Attendance Office at 723-4848 ext. 34021, and then follow the prompts for reporting an absence. This service is available 24 hours a day. When calling, please provide all requested information. If the parent / guardian is aware that their child will be absent for any length of time, the student must come to the Attendance Office and pick up a Parent Request Form from the attendance secretary. The form must be signed by all teachers and returned to the Attendance Office one week prior to the scheduled absence. Florida State law requires all absences to be recorded as unexcused unless they are documented within five days and fall under any of the following documented reasons:

- An absence for religious instruction or for a religious holiday;
- An absence due to sickness, injury or other insurmountable condition;
- Death in immediate family;
- An absence due to participation in an academic class or program;
- A subpoena or a forced absence by any government agency;
- An appointment with a doctor or dentist;
- Major disaster as determined by administration; or
- A School Board approved activity.

Assignments from Absences

- Make-up work is the responsibility of the student.
- Work assigned prior to the absence is due the day the student returns.
- Major assignments are due on the original due date.
- Work assigned during the student’s absence is due no later than the length of time (number of days) of the student’s absence.
- Suspended Students: Refer to the “Suspended Students” section for makeup work instructions.

- If a student has prior knowledge of an absence, class work and homework must be turned in prior to the absence, unless prior arrangements have been made with the teacher to do so upon return. It is the student's responsibility to make these arrangements with his/her teachers.
- Skipping class constitutes prior knowledge. A student will receive zeroes for all class work, tests, quizzes, or assignments missed. Appropriate consequences will result.
- Major assignments or projects are due on the assigned due date unless there is a documented excused absence for that date.
- Makeup work should be submitted within two weeks of the prior semester's end in order for the class rank to be accurate.

Attendance Required for Participation in School Activities

No student will be permitted to participate in school activities on any day that he/she has been absent from school for more than one-half of the school day.

Sign-In/Sign-Out Procedures

Students arriving after 7:30AM should go to Student Services and sign-in. Students are required to have their student ID when signing in or out of school. With the proper state-mandated documentation, parent sign-in or parent note (limited to three per quarter), the student will be given a pass and sent to class. Appropriate documentation is required if you are late more than three times. After a student has used all three late sign-ins, a parent or parent note is **NOT** considered appropriate documentation.

Any student, who arrives on campus after 7:30AM and fails to sign-in with Student Services before going to class, will receive a discipline consequence.

Students needing to leave campus for appointments during the day must bring a note to the Attendance Office prior to 7:45AM that morning to receive a release pass. The note must contain student name, grade, parent/guardian's name and signature, home phone, work phone, brief explanation of reason, date, and time to be released, and parent/guardian signature. Students who are 18 or older cannot sign themselves out without following the above rules. It can be difficult to locate students during lunch or when classes are working in other areas when parents arrive without advance notice. Only a note received before school can guarantee a timely release of a student.

Please note that 5 unexcused absences in one month or 15 unexcused absences in a 90-day calendar period may result in Truancy Court for the parent/student.

Leaving Campus with Parental Permission

Sign-out with parent permission may only be done through the attendance office, clinic, or student services. Once a student leaves campus, he/she may not return that day unless accompanied by a parent or with appropriate documentation. Students may not leave prior to parent permission. If a student leaves campus without permission and the parent calls after the fact, the appropriate consequence will be assigned.

Leaving Campus without Parental Permission

Leaving campus without permission will result in disciplinary consequences, including suspension/revocation of parking privileges.

End-of-Day Policy

Students will not be removed from class for sign-out the last 15 minutes before the dismissal bell. Students needing to be released during this time must make prior arrangements in student services.

Suspended Students

Students suspended from school are not allowed to be on campus or attend off-campus school related activities during the time of their suspension. Additional days of suspension may result, or trespass charges

may be filed. It is the responsibility of the student to contact teachers to receive work during the time of the suspension and to arrange for someone to pick up work from school. Students should check their teacher's Schoology course website for work. If the website is not up to date, email the teacher using the staff directory found on the PHS website. The student can also call the school at 723-4848 and dial the information directory to find a teacher's extension. All makeup work is due the day a student returns from suspension. The student must arrange to take all missed tests/quizzes or a zero will be posted for those assignments.

Any major assignment or project is due on the original due date. Students must arrange with teachers by the due date on major assignments. Students who participate in extracurricular activities and are suspended for a total of 10 days (cumulative or single incident) in a school year may not be eligible to participate in any extracurricular activities for 180 calendar days.

A student may appeal the 180-day suspension after 90 calendar days. The appeal must be in writing to the Principal. The appeal process will take into consideration the student's attendance, grades, discipline, teacher comments, any other pertinent information, and student interview during a parent conference. The suspension from extracurricular activities will not be less than 90 calendar days. Should the suspension from extracurricular activities be changed to a period less than 180 calendar days, the student will be on probation until the conclusion of the 180-calendar day period.

Hall Passes

Students in the halls during classes must carry the appropriate pass. Passes are to be filled out with student name, destination, and time out before the student leaves class. Students are to write the time in upon return to class. If a student is in the hallway without a pass, the student will be sent to the Discipline Office. Leaving class without teacher permission will result in disciplinary action.

Clinic

The clinic is located in the main office building. Students must have a pass to the clinic.

Medication Philosophy:

Medications for acute (active disease) or contagious illness should not be given in schools. Children should be at home under those conditions. Whenever possible, medication schedules should be arranged so all medication is given at home. Students may not transport medication to school or be in possession of any medications while on school property (i.e. Aspirin, Tylenol, etc.).

Medication Guidelines:

- Only prescription medication will be administered at school. Over the counter or sample medications must be accompanied by a doctor's prescription. Medication must be delivered by a parent or guardian to school in the container in which it was purchased (dispensed). A parent authorization form must be signed before medication can be administered. Special authorization forms are needed for injectable medications and for medications to be given on field trips. If medication is taken at home and at school, a separate supply must be kept at school. Medication will not be transported between home and school on a daily or weekly basis. Please ask your pharmacist for a second container with a prescription label.
- The label must indicate the student's name, name of medication, physician's name, dosage amount and time or frequency.
- If the medication requires equipment for administration (i.e., spoon, cup, dropper, etc.) the parent is responsible for supplying the articles labeled with the student's name.
- New parental authorization forms will be requested yearly or with any change in medication.
- When medication is discontinued or at the end of the school year, medication not taken home by the parent will be destroyed.

- Self-medication: Students who have a history of severe allergic reactions and asthma attacks may self-medicate if they have a written prescription from their physician stating they may self-medicate and carry medication on their person. For the protection of the student, the parent must complete a self-medication form.
- If medications routinely given at home are missed, parents must provide a written request for the health staff to give the missed dose and adjust the time interval for the next dose to be given at school.
- Periodic backpack checks will be conducted throughout the school year.
- These guidelines were developed to meet Florida Statute: 232.46 and School Board Policy 508.01.

Delivery of Items to School

Palmetto High School does not accept delivery of any items delivered to the school during regular school hours. These items include, but are not limited to, floral deliveries, books, money, food or drink, clothing, athletic equipment, or uniforms. It is the responsibility of the students to bring everything needed for the school day. As a reminder, students may not use school telephones during school hours unless authorized by an administrator. If permitted, students may only use the phone in the administrative office. Baked goods are prohibited in classrooms, cafeteria, or any other part of the campus.

Exams/Assessments

Exams:

Each semester, all students will take a comprehensive examination covering the work of that semester. Grades received for the first quarter, the second quarter, and the semester examination will determine the semester average. **According to county policy, no early examinations may be given.**

Assessments:

ALGEBRA I EOC

The Algebra I EOC is a graduation requirement given in the spring. There are also opportunities in the summer, fall, and winter to pass the Algebra I EOC.

ACT and SAT

The SAT and ACT are college entrance exams required for admission into a four-year college, university, and for Bright Futures. Tests are given on various Saturdays throughout the school year. Students may register online at SAT- www.sat.collegeboard.com and ACT- www.actstudent.org. It is recommended that students take one or both for the first time by early spring of the junior year.

PSAT

Sophomores will take the PSAT during the school day in October. Freshman and juniors may take the PSAT in October for a minimal fee. Juniors may qualify for the National Merit program.

FSA ELA ASSESSMENT – Reading and Writing

The FSA ELA state assessment is comprised of two reading sections and one writing section and is administered to all freshman and sophomores. Students must pass the Grade 10 FSA ELA, or achieve a state approved concordant score, by the spring of their senior year to graduate with a Standard Diploma.

Grade Point Average - GPA

Grade point average is calculated by assigning points to the letter grades earned each quarter and semester. The cumulative grade point average is calculated on semester grades only. The weighted grade point average assigns an extra point in Honors, AP, and DE courses.

Unweighted Grade Points	Weighted Honors Course Grade Points	Weighted Advanced Studies Course* Grade Points
A=4	A=4.5	A=5
B=3	B=3.5	B=4
C=2	C=2.5	C=3
D=1	D=1.5	D=2
F=0		

High Honor Roll recognizes students with a minimum un-weighted 3.6 or weighted 4.0 quarter GPA. A student who has been on the high honor roll for the first three quarters of the same school year shall be eligible for an academic award.

Grades and Grade Points

Palmetto High School uses Focus, an online grade book. Parents/Guardians may access Focus by filling out paperwork that is available online and in Student Services. Grades are based on a five (5) letter system: A, B, C, D, F. Progress reports are published in Focus midway through each quarter. Report cards are published every nine (9) weeks. Letter grades indicate the following numerical ranges.

A= 90-100 B= 80-89 C= 70-79 D= 60-69 F= 0-59

Citizenship

The quarterly progress report will carry a citizenship mark from each teacher. These indicate the behavior and cooperation of the student as follows:

1 - Excellent 2 - Satisfactory 3 – Needs to Improve 4 – Unsatisfactory

Graduation Requirements

Graduation requirements are based on the year a student enters high school. Contact your school counselor or visit the Florida Department of Education website:

<http://www.fldoe.org/BII/StudentPro/grad-require.asp> for further information.

Participation in graduation ceremonies is a privilege and an honor. It is not a right. The Principal reserves the right to deny to any student the privilege of participation in the commencement exercises if that student has not met the graduation standards. These standards include, but not limited to, fulfilling any unpaid senior debts, attending all mandatory senior events, and not engaging in inappropriate behavior.

Seniors must attain the required number of credits, maintain a minimum unweighted cumulative grade point average of 2.0, and pass the state mandated assessments to receive a high school diploma. All graduation requirements must be met prior to graduation ceremonies.

Diploma Completion

A **Standard Diploma** is awarded to students who have successfully completed the minimum number of academic credits including other requirements as prescribed by the Manatee County School Board and Florida State Legislature.

School Counseling

The school counseling department is in the main office. If you have questions or concerns regarding scheduling, setting up parent conferences, graduation requirements, etc., please contact Student Services at 723-4848, ext. 34216 and ask to be directed to the appropriate counselor. The College and Career Advisor can assist with scholarships.

ATTENTION:

Any student who is receiving educational services outside of Palmetto High School (Hospital Homebound, State College of Florida, On-the-Job-Training, Manatee Technical Institute, etc.): school activities and announcements happen on a regular basis. It is your responsibility to check the school website or contact school personnel for details.

Schedule Change Policy

The registration process and the development of student schedules takes place in the spring at which time faculty and staff counsel with students. The process includes input from students, parents, teachers, school counselors and administrators. The master schedule is then built around the registration requests.

Students are expected to honor their commitments and to attend and complete the courses for which they register during the registration period. Requests for schedule changes will be considered for **only** the following reasons:

- If a student has already earned credit in the course.
- If a student has failed to meet the prerequisite for the course.
- If a student is scheduled for too many or not enough classes.
- If there was a clerical error.
- The school administration receives a district or state directive regarding course progression.

Academic Integrity

Together with the School District of Manatee County, Palmetto High School is committed to fostering a culture of academic integrity. Students, teachers, administration, and parents understand that hard work produces great results.

As a student at Palmetto High School, I understand that...

- I learn best when I complete my own work.
- I am responsible for protecting my own work.
- Asking for help when I do not understand how to complete my work is a positive practice.
- It is important to give credit to sources and their authors.
- There are academic and disciplinary consequences for cheating.
- **CHEATING** includes all of the following, **but is not limited to:**
 - copying work of others or claiming someone else's work to be mine

- **PLAGIARISM** includes all of the following, **but is not limited to:**
 - copying from sources without directly quoting and properly citing those sources
 - paraphrasing from sources without citing those sources taking ideas from sources without citing those sources

Freedom of Expression

First Amendment Freedom of Expression In 1969, The United States Supreme Court ruled that public school students do not leave their constitutional right to freedom of expression at the schoolhouse gate. You have a right to freedom of expression; however, when you exercise that right, you must do so in a responsible manner that does not cause a disruption of the school or a school activity. A principal may impose reasonable time, place and manner restrictions on your exercise of First Amendment freedom of expression rights. If possible, before imposing reasonable time, place and manner restrictions, the principal will consult with the School District General Counsel and will notify the Superintendent (or designee) in such cases. If it is not possible to consult the School District General Counsel beforehand, the principal will do so as soon as possible

Bullying or Harassment

Bullying is the mistreatment of an individual or group characterized by a willful intent to cause harm and a perceived advantage in power. These acts can be socially, emotionally, or physically damaging in nature, to include, but not limited to: teasing, name calling, rumor spreading, exclusion, intimidation, threats, damaging personal property, stealing, public or private humiliation, stalking, pushing, shoving, or other physical attacks, and sexual, religious, or racial/ethnic harassment. Harassment involves any threatening, insulting, or dehumanizing act or gesture, which places an individual in reasonable fear of harm to his or her person or damage to his or her property; has the effect of substantially interfering with an individual's educational performance, opportunities, or benefits; or has the effect of substantially disrupting the orderly operation of a school or activity. Both bullying and harassment are prohibited at school, during school-related activities (whether on or off campus), on the school bus, at school bus stops, and through the use of computers or other electronic devices, which is known as cyberbullying. Cyberbullying and harassment are

also prohibited through off-campus Internet posting, phone calls, or text messaging - if such behavior disrupts the orderly environment of any district school or activity or interferes with the educational opportunities of others. If you engage in bullying or harassment, the consequences and appropriate remedial action may range from positive behavioral interventions up to and including suspension, reassignment to an alternative program, and expulsion. More severe or persistent infractions will result in more intensive interventions and administrative actions. Additionally, the appropriate school administrator or designee will report to the victim's parents any incident of bullying or harassment once an investigation of an incident has been initiated. Bullying should be reported to the appropriate school administrator or through the School District of Manatee County's anonymous reporting system.

Hazing

Hazing is defined by F.S. 1006.135 as any action or situation that endangers the mental or physical health or safety of a student at a school with any of grades 6 through 12 for purposes of initiation or admission into or affiliation with any school-sanctioned organization. Hazing includes but is not limited to: (a) pressuring, coercing, or forcing a student to: 1. Violate state or federal law 2. Consume any food, liquor, drug, or other substance; or 3. Participate in physical activity that could adversely affect the health or safety of the student. (b) any brutality of a physical nature, such as whipping, beating, branding, or exposure to the elements.

Student Clubs / Activities / Honor Organizations

Clubs/school organizations are established each year based on student interest and availability of club sponsors. Honor Organizations include National Honor Society (NHS), organization has its own guidelines for acceptance and participation. Students should see the sponsor for details.

Students may form new organizations by having three or more student's petition for organization, completing a request for a new club form, finding a staff sponsor, and completing a charter. Student participation is encouraged. Involvement in clubs/activities is governed by the Athletic policies.

Student Athletics Policies

A. General Guidelines-Participation in interscholastic Athletics is a privilege, not a right.

1. A student on a team should attend every scheduled practice unless an emergency prevents this. The coach should be made aware of the reason for an absence so he/she will not be depending on that athlete that day. Failure to notify the coach may result in loss of playing time. Continued unexcused absences from practice may result in dismissal from the team.
2. A student must be in attendance a minimum of a ½ day of school unless documented (doctor's note, field trip, subpoena, etc.), to practice or participate in a contest on that day unless approved by the athletic director or principal.
3. All athletes should present a neat appearance at all school and athletic functions, in accordance with Manatee County School dress code.
4. Parents are responsible for the transportation of students to and from school practice sessions for school related events, including athletics unless the principal determines transportation will be provided by the school. School personnel will not assist parents in arranging transportation when the school does not provide it.
5. The Principal will develop a plan for administrative coverage of home games and key away games.
6. School discipline will carry over to Athletics.

B. Athletic Eligibility

Care of School

A school building is not a school until students occupy it. When a building becomes a school, it takes on character and meaning and expresses itself to the student body and visitors. The respect that students offer to a campus is reflected in its appearance. It is a matter of personal and school pride that each student makes a commitment to help maintain the appearance of our school and grounds. This commitment includes using common sense. Trash belongs in trash cans; food is to be eaten only in designated areas; please use the sidewalks; **keep off the grass**, graffiti has no place on campus; and gum belongs in the trash, not on desks, floors, or sidewalks. The furniture and other property at our school is for your use, please do not abuse it. Help save taxpayer’s money, including that of your parents, by helping to take care of our school. Take pride in keeping our halls and grounds clean.

Media Center

1. Students wanting to use the Media Center should be prepared to read or study.
2. Books may be checked out for a 21-day period. Up to three books may be checked out at a time.
3. You must show a valid PHS ID card to check out a book. Lost cards can be replaced for a fee.
4. Students will be charged for lost or damaged books.
5. No food or drink is allowed in the media center.
6. Students **MUST** have a student ID to access computers in the media center.

7. The computers in the media center are for research, assignments, and general browsing for enrichment. Students may save files to their server folder or a flash drive. Files saved on the hard drive or the desktop will be deleted. Any misuse of computers is considered inappropriate use of school equipment and will be subject to disciplinary action.

Student Debt Collection

Students are financially responsible for all class, club, or team materials issued to them. They are expected to reimburse the school immediately when they owe money. Teachers will notify students and parents that additional books and equipment will not be issued until the debt is paid. Textbooks are available for students at the beginning of each course. Periodically, a check on the condition of the books is made. The student must pay for any book that is lost, mutilated, or damaged. Students do not receive diplomas until all textbooks assigned to them have been returned or paid for. If books show abuse, a reasonable charge is assessed. Any book assigned to a student **MUST** be paid for if lost or stolen. Students and parents may check debt on Focus.

Student ID

Each student is required to have his/her student ID, worn on a lanyard around the student's neck, at all times while on campus. Any student who forgets or loses his/her ID must report to Student Services and disciplinary consequences may be assigned. New IDs and lanyards may be purchased before or after school or during lunch in the Media Center. Carrying the ID in a pocket or backpack, possessing/wearing/using another student's ID, defacing an ID photo, and displaying an ID from another school are prohibited actions and are subject to disciplinary action. Each student must use his/her own student ID to purchase lunch in the school cafeteria and to check out materials from the school media center. Failure to produce a student ID when requested will result in disciplinary action.

Computers are to be used for instructional purposes. We ask that the following policies be adhered to so that the integrity of the school, the school's network, and the equipment will be maintained.

- Students shall log into the network using their student ID and password, unless it is for testing or a teacher-led program. In those cases, they will log-in utilizing the appropriate log-in provided by the school staff.
- Students shall not save any work, documents, programs, videos, music, or assignments on school owned computers/tablets. Students shall save their material to their OneDrive folder or thumb drive.
- Manatee County's Internet Policies will be strictly enforced when accessing the Internet. Violations of the policies may result in notification of parent/guardian, denial of Internet use at school, and other discipline consequences.

Manatee County Network Information Services Guidelines

The school district provides access for staff and students to electronic information services such as the Internet. These services provide access to: Electronic mail (e-mail) with the ability to communicate with people all over the world; information and news from many sources; public domain and shareware software of all types; discussion groups on a wide variety of topics; access to many college and university libraries, and the Library of Congress. The benefits for staff and students to access such information are obvious, but there are potential problems. There is the possibility of users finding material that may not be considered to have educational value. District staff will continue to direct learners to appropriate material. However, on a global network it is impossible to control all materials. The district believes that the valuable information available on this worldwide network far outweighs the potential problems, but parents need to be aware of the situation.

The following guidelines have been established for Manatee County schools. If any user violates any of these provisions, his or her access to electronic information services may be terminated and all future access could possibly be denied. Some violations may lead to disciplinary action. Criminal offenses are referred to law enforcement for prosecution under state or federal laws.

- I. Acceptable uses of wide area computer networks are activities which support learning and teaching in Manatee County.
- II. Unacceptable student uses of wide area computer networks include:
 - Using network access to alter or destroy information belonging to others
 - Using profanity, obscenity, or other language which may be offensive to another user
 - Copying personal communications to others without the original author's permission
 - Copying software or other copyright protected material in violation of copyright law
 - Using the network for private business purposes

- Using the network for any illegal activity
- Spreading computer “viruses” deliberately, or by importing files from unknown sources

III. The person who has a network account is responsible for its proper use.

IV. The network management accepts no responsibility for harm caused directly or indirectly by its use. Never consider electronic communications to be completely private. The school district does have the right to review the contents of all e-mail created and stored on school district equipment using e-mail systems operated by school district staff. If you have any questions about these guidelines, please contact your school.

Communication/Electronic Devices

Cell phones or other wireless devices can be used in classrooms for instructional purposes at the teacher’s discretion under the school’s Bring Your Own Device (BYOD) policy.

Earbuds/headphones/speakers may not be used or seen during the school day (including transitions). The exception is students can use one earbud during lunch. No sound should ever be heard from cell phones or speakers. Students are not to talk on their phones, but may text.

Students are prohibited from electronically recording teachers or classes without the written permission of an administrator or designee. Any violation of the policy regarding electronic items gives school officials reasonable suspicion to conduct a search of the contents of the electronic item. During testing administration, if a student is found with an electronic device that reproduces, transmits, calculates, or records (for example, a cell phone, smartwatch, camera, or tablet) in a pocket, at his/her desk, or within reach during testing, that student’s test will be invalidated. In addition, the device will be confiscated during the test session, and the student will be disciplined.

Bring Your Own Device (BYOD) Policy:

The goal of BYOD programs is to expand opportunities for 21st Century learning. However, using personally owned devices at school is a privilege, not a right and may only be used for learning purposes at the discretion of the classroom teacher. This privilege may be revoked at the discretion of the administration. Therefore, it is important that students use their devices responsibly, respect the property of others, and demonstrate that this use benefits them academically and helps them develop into good digital citizens.

Devices Permitted:

- The following devices, though currently permitted, may be prohibited at the discretion of the school administration.
- Laptops, Smart Watches, netbooks, Chromebooks
- Tablets (iPad, Xoom, Galaxy, Surface, etc.)
- eReader/Tablets – (Kindle, Nooks, etc.)
- Internet Accessible Cell Phones (iPhone, Android, Windows based Smart Phones, etc.)
- Google glass is a prohibited device.

Rules and Conditions:

The following rules and conditions are specific to Palmetto High BYOD program. All other school/District rules and policies also apply, including, but not limited to, the Code of Conduct and Technology AUP. Parents will be able to retrieve confiscated devices **after 2:25 PM** on or after the day the device is confiscated.

Where/When/Storage:

1. Students may only use their device in the classroom when instructed to do so by their teacher for BYOD activities.
2. Students may not use their device to text or update personal sites/accounts during school hours.
3. Students may only use electronic devices in the library/media center with the permission of the media specialist.
4. Students should not ask teachers or staff to ‘hold onto’ or store their device.
5. Administrators/Staff should not be asked to retrieve devices left in school.
6. Devices must be off and out of sight in classrooms except for BYOD activities.

Network/Internet Access/Electrical:

1. Students should always use the school’s wireless network, not personal data plans, to access the web. BYOD privileges may be revoked for students found to be visiting websites that are blocked by the District’s filter.
2. Personal devices may only connect to the school’s guest network. Although some devices may not be able to connect to the guest network, the school will not alter network settings to allow such devices to connect.
3. No guarantee is made that the school’s wireless network will always be available. Network outages may occur without notice. In addition, no quality of wireless signal is promised. Signal strength may vary depending on the location in the school and the number of devices simultaneously connecting to the network. All schools are not currently equipped to support all students connecting to the wireless network.
4. Students should bring devices fully charged to school. Access to electrical outlets or computers for charging is **not permitted**.
5. Students will not have access to network printers using their own device. The Media Center has printers that are accessed through district issued computers.

Theft/Loss /Damage/Troubleshoot/Inspection:

1. The school/District will not be held financially responsible for lost or stolen devices, nor are school administrators responsible for conducting searches for lost/stolen devices.
2. The school/District will not be held responsible for any physical damage or data loss, including damage/data loss resulting from connecting devices to the school’s wireless network or power outlets.
3. School/District staff, including Technology staff, will not configure, troubleshoot, or repair student devices.
4. School officials may read, examine, or inspect the contents of any personal device upon reasonable suspicion that the contents or recent utilization of the device contains evidence of a violation of these or other rules and policies, as well as any local, state, or federal laws.

Telephones

Students are not to use the telephones in the classrooms. If a student has an emergency that requires a phone during the school day, the student should report to Student Services. Phones are available for student use before school and after school in the front office. Classroom cell phone use during the school day is prohibited—except for learning in conjunction with a teacher-approved Bring Your Own Device (BYOD) activity—and will result in confiscation and a discipline consequence.

Student Drop-Off

For safety reasons, students may only be dropped off in the parent loop at the front of school and back student parking area (building #10 & 11). Parent vehicles are not permitted in the staff parking lot unless the driver has business inside the school building. Dropping off students in any area other than the designated area will result in a disciplinary consequence.

Bus Transportation

All questions regarding bus scheduling, bus stops /routes, and late busses, should be directed to the transportation department at (941) 782-1287. The School Board believes you and your fellow students, as well as the bus driver, should be able to ride safely on school buses. You may be disciplined for any action on the bus or at the bus stop when the bus is present if you are subject to discipline for the same offense if it had happened at school. You should assume that you are being recorded any time you are riding a school bus. Palmetto High School supports all bus drivers in their attempt to maintain a safe environment on the school bus. Any referral from a school bus driver will be processed according to the Manatee County School District code of Student Conduct.

****All students must wear their school ID when riding a school bus.**

a. If you commit minor infractions, the school bus driver has the authority to address your behavior. If you cause repeated problems on the bus, the bus driver will give the school a written discipline referral for what you did. School administrators can take any action contained in this Code against you for misbehaving at a bus stop or on a bus.

b. Discipline on school buses will be dealt with according to the following protocols; however, severe infractions (for example, fighting, setting a fire on the bus) may result in immediate suspension or recommendation for expulsion based on the recommendation of the principal or designee.

Bus Discipline Protocol

1st Offense: Operator - student conference and parent contacted by Courtesy Notice prepared by Operator. Student re-assigned to the front of the bus for one week and closely monitored.

2nd Offense: Referral submitted, with recommended bus suspension up to 1 day. Upon return to bus, student re-assigned to front of the bus for two weeks and closely monitored.

d. You can be removed from the school bus by the Superintendent or his designee for up to one calendar year for misconduct or a violation of the bus rules on a school bus or at a bus stop, based upon the recommendation of the principal and after the principal has suspended you from riding the bus for 10 days for an incident. Before the Superintendent or designee removes you from the bus, you and your parents will be informed in writing of the Principal's recommendation and the basis for that recommendation. The Superintendent or designee will inform you and your parents in writing of any removal from the bus.

e. Even if you transfer to a new school, you will be held responsible for any previous incidents of bus misconduct from your previous school.

Parking Lot Policy

The Manatee County School Board provides transportation for all students outside a two-mile radius from the school. Therefore, driving and parking on campus is a privilege. The following is a list of regulations for Palmetto High School student drivers.

NOTE: Individual schools, with approval of the School Advisory Council, may develop additional dress code requirements that will be communicated to you and your parents in a variety of ways. Individual schools may establish a mandatory uniform policy if all conditions under the school uniform rule are met. An individual school may be granted an exemption by the Superintendent from any provision of the dress code if requested by the Principal and approved by a majority of the School Advisory Council members. Parents will be notified in writing of any approved exemption.

Discipline Code – Refer to discipline matrix

All students must comply with the Manatee County Student Code of Conduct, issued by the School Board. Palmetto High School expects all students to come to school and learn in a safe school environment. The staff will make every effort to work with students to accomplish this goal. Student discipline will be fair and consistent given the breach of conduct. Parent contact will be made at every opportunity to assist with any problems that may occur.

Misconduct That Requires Specific Consequences

Acts that require specific consequences include the following:

- Bullying or Harassment
- Possession or Use of Tobacco Products
- Possession or Use of Illegal Drugs or Alcoholic Beverages
- Bombs and Bomb Threats
- Chemical or Biological Attacks or Threats
- Dating Violence and Abuse
- Possession of Guns, Weapons, or Dangerous Objects
- Violent Acts Resulting in Serious Injury
- Sexting
- Making False Accusations or Reports
- Felony Charges and Convictions
- Felony Arrests

Investigations at School

Administrative

If you are suspected of violating the District Code of Student Conduct, school officials can question you without first contacting your parent. You do not have a right to have your parent present or a right to an attorney when you are questioned. If you refuse to answer questions asked by school officials, you may be disciplined.

Criminal

If you are a suspect in a criminal investigation that may result in your arrest or criminal charges, law enforcement will make a good faith effort to contact your parent before the law enforcement officers begin questioning you. If a parent cannot be located, law enforcement officers may proceed with questioning. If your parent is contacted, the law enforcement officers may allow your parent to be present during your questioning.

Victim or Witness

If you are a victim or a witness, law enforcement officers, Children and Family Services investigators, or administrative investigators are allowed to question you without first contacting your parent. If the investigation involves child abuse, the official conducting the investigation will decide who can be present during your interview. If you refuse to answer questions asked by school officials, you may be disciplined.

Removal of a Student Under Arrest

If you are subject to arrest, with or without a warrant, the officer can remove you without your parents' consent or the consent of school officials. The administrator will try to notify your parent before you are removed or as soon as possible after your removal.

Removal for Involuntary Examinations

The school principal or the principal's designee shall make a reasonable attempt to notify your parent or guardian, if you are removed from school, school transportation, or a school sponsored activity and taken to a receiving facility for a Baker, Marchman, or other evaluation, pursuant to F.S. 394.463. The principal or the principal's designee may delay notification for no more than 24 hours after you are removed, if the principal or designee deems the delay to be in your best interest or if a report has been submitted to the central abuse hotline, pursuant to F.S. 39.201, based upon knowledge or suspicion of abuse, abandonment, or neglect.

Searches and Seizures

You, your locker, vehicle, purse, backpack and other personal possessions may be searched if there is a reasonable belief (suspicion) that any of them contain drugs, weapons, contraband or other items not permitted on campus. You are expected to cooperate fully with your school administration in all searches and investigations. The failure to fully cooperate may be grounds for your school administration to infer that you are in possession of contraband or illegal items and the matter will be referred to law enforcement as deemed necessary. Trained sniff-screening dogs are allowed in the schools to prevent drugs and weapons at school. Routine checks by the dogs are not considered a search; however, an alert by the dog gives reasonable suspicion for a search. Dogs may not check students themselves to determine probable cause for a search. The use of trained dogs is a safety precaution to provide you a safe school in which to learn.

Discipline Consequences - Consequences for disciplinary infractions will be assigned in accordance with the Manatee School District Student Code of Conduct and the PHS Discipline Matrix found in this handbook. Consequences are defined as follows:

- **Administrative Warning** - The student is not to be excused during any class period and should obey all rules and regulations. Further infractions will lead to suspension. The student is ineligible for field trips and driving/parking privileges may be suspended for the duration of any administrative warning. While on administrative warning, a student may lose their eligibility to participate in extracurricular activities.
- **Counsel & Warn (CAW)** – A discussion with the student explaining the infraction and what the consequence will be if the infraction occurs again.

- **Parent Pick Up (P/U)** – Applies to electronic devices and prohibited dress items such as hats. Parents may pick up unauthorized materials in student services after 2:25 on or after the day of confiscation. Early pickups are not allowed.
- **Lunch Detention (LDT)** – The student eats lunch in **Room 6-102** and are not allowed to talk or interact with other students.
- **After School Detention (ASD)** – After school detentions are served on Tuesday and Thursday for 30 minutes in **Room 17-104**. Students are expected to bring schoolwork. The school uses a two-part notification procedure when detentions are assigned. First, students receive a white card listing the date, time, and reason for the detention. Second, a courtesy phone call is made to the primary contact number listed in Focus the night before the detention to remind parents of the upcoming detention. It is the parent’s responsibility to ensure changes in contact information are updated in Focus. Detentions may be rescheduled with a parent note submitted before 12:00 on the day of the detention.
- **Extra School (EXS)** – Extra school is served on Wednesday afternoon for 1 hour in the school **Room 17-104**. Students are expected to bring schoolwork. Refer to after school detention (above) for information regarding notification
- **Work Detail (WD)** – Student is assigned to a custodian, either during or after school hours, and is expected to help in campus beautification efforts.
- **In School Suspension (ISS)** – Students report to ISS where they complete their schoolwork without following their regular bell schedule. Students are responsible for checking teacher websites and emailing teachers for any work missed while in ISS. Students are required to submit any work missed while in ISS.
- **Out of School Suspension (OSS)** – Students who are suspended out of school are not allowed on any Manatee County campus or participate in any SDMC activities/athletic events for any reason during their suspension. Students are responsible for checking teacher websites and emailing teachers for any work they miss while on OSS. Students are required to turn in any work missed while on OSS.
- **Restitution Required (\$)** – The student is required to monetarily or materially compensate the district, school, or individual for any damaged, stolen, or vandalized property.
- **Reassignment / Expulsion (ALT)** – Students who commit a severe breach of conduct or are guilty of continuing misconduct, may be suspended for up to 10 days and recommend to the Superintendent or designee for reassignment to another school or program. A student may be expelled by the School Board for the remainder of a school term or one school year and one additional year of attendance.
