

Parents,

Our school and district are already hard at work preparing for the beginning of the 2020-2021 school year - especially in light of the uncertainties that exist due to the Coronavirus (COVID-19) pandemic. We need your help and input for planning and preparation purposes.

We have been working with district leadership on Back-to-School plans for the different scenarios that we may face in August. For more information on those plans, please see the attached Back-to-School Plans Flyer which describes the proposed plans and the CDC and state guidelines on which they were developed.

The flyer also contains live links to a survey for you to provide your thoughts and opinions not only of the proposed plans, but of your experiences with eLearning. Your input will help us plan and prepare for the upcoming year.

Links to those surveys are also included below in English and Spanish:

In addition, in order to control school bus capacities and to keep our students safe, **ALL STUDENTS MUST REGISTER, AND BE ASSIGNED TO A SCHOOL BUS, PRIOR TO RIDING A BUS** for the 2020-2021 school year.

To register your student or students, please click on the following link:

We appreciate your help and assistance with both of these planning programs for the upcoming school year.

Thank you for your constant support of our students, school and district.

Have a Wonderful Summer!
